END OF THE SEASON SAVINGS

This month I want to delve into the topic of Fixed Price Auto Sales more thoroughly. By now, surely you know that we are buying and reselling federal surplus vehicles with low mileage in very good condition for low prices. These vehicles are selling in an average of 8 days after we bring them in. I want to give you all a tool with which you can *PREVIEW* what vehicles will become available.

1. Open this website - <http://www.autoauctions.gsa.gov/index.cfm>
2. Select the calendar tab

3. You will then see a listing of GSA surplus vehicle auctions being held around the country.

7. If you find something you are interested in, you need to let us know **AT LEAST 3 WEEKS BEFORE THE PUBLIC AUCTION DATE**. We must request and receive pricing from GSA and commit to buying the vehicle not later than 10 days before the auction. Contact Mike Zeiders (mzeiders@state.pa.us) at 717-525-5805 or Dave 'Big D' Fleisher (dfleisher@state.pa.us) at 717-525-5804.

GSA normally holds between 5-8 sales in our area per month. However, there are virtually no sales during the months of Dec, Jan, Feb, Mar. Very early and very late sales tend to have fewer vehicles to choose from. So, these sales in November represent your last opportunity for several months to pick up a low-mileage, low-cost surplus vehicle.

Stu (Stuart Mosebey-our Financial/IT manager) still plans on having the revved-up vehicle pages available during the month of November. A link to the GSA vehicle auction page will be included.

I want to thank those of you who attended the recent grants workshops in Biglerville, Adams County, York Fairgrounds, York County, and in Philadelphia.

No doubt you have seen or heard about the revenue shortfalls in Harrisburg. Be advised that we are being affected like all other agencies. We have about five vacancies which we will not be permitted to fill until the freeze is lifted. While we are doing the best we can to provide prompt and courteous customer service, there is no question that something will fall through the cracks in the near future. I simply ask for your understanding and patience while we work through this difficult period.

Just a brief reminder of the new entrance and customer parking for the Federal Surplus and Law Enforcement sales areas now located at the far end of the main parking lot in front of the Forster Street Building. Vehicles will be permitted 'out back' near the shipping docks for deliveries and pick-ups only.

Just in time for the holidays, be on the lookout for new customer kiosks in the State Surplus store. The computers in these self-service areas will permit bidders to register, log-in, and bid on both our eBay postings and on our Asset-Auctions on-line auction offerings. Or you can simply peruse our sales to see if anything strikes your fancy.

My staff and I hope you and yours have a happy and 'filling' Thanksgiving.

State Surplus

It looks like a few of our customers have "abandoned" some of their equipment purchases from our most recent PennDOT heavy equipment auction in Cheswick, PA.

As part of our sales terms, we offer a 3 day removal for folks, however, that doesn't seem to be working well. Keep in mind that we charge \$50 per day per unit for storage. After the 5th day, we will "re-list" your item and you will be banned from future sales with the Commonwealth. If you can't afford to pay for the item, simply do not bid.

If you get some time, check out the new "kiosks" in our store when you get a chance. The reason for these kiosks is to further enhance your shopping experience by offering "walk-in" customers the opportunity to view some of the assets they normally wouldn't see on the sales floor. The customer is only allowed to visit specific sites via the internet such as the D.G.S. Main Web Page to view our sales calendar, our E-Bay sales list (seller keyword: [pastatesurplus](#)), and the Asset Auctions website. If a customer is interested in bidding on an item, they can use the kiosks to register and set a pre-determined sales amount for the item that they would like to bid on. We primarily wanted to have this for some of our "walk-in" customers that do not have access to the internet.

Keep an eye on some special items we'll be offering for the holiday season, especially from the PLCB. We have received several skids of "wine/liquor accessories" which we will be offering for sale very shortly.

All auctions listed are being conducted online by Asset Auctions.

*Sincerely,
Joe Angelo, Division Chief*

Completed D.G.S. Auctions

Monthly Online Auction - #81104 – Closed Tuesday, November 4th. Revenue generated was \$14,177. Some of the items sold were mixed brass shell casings for \$6,500 (not a bad sale in this economy) and a tire spin balance machine for \$527.

We also sold a lot of 10 Scot Airpaks for \$410.

We're Closed!

It's that time of year again, no I don't mean the Holidays although they are closing in on us much too quickly! What I am talking about is our yearly wall-to-wall inventory in the Federal Surplus Property Program. We are justifiably proud of our inventory system one of the best in the Program in the country; the result of the hard work of our staff! In order to make sure that we get the results we are seeking it is important that we close for business during this time to focus on the tasks ahead. We will be closed for business from Tuesday, November 18th through and including Friday, November 21st. We will reopen for business on Monday, November 24th in our Harrisburg Distribution Center. Thanks for your patience with us and we look forward to seeing you until the 18th and again starting on November 24th.

Hermitage Reminder

We will be open for business in Hermitage during the month of December 2008 from December 8 -11 and in January 2009 from January 5 - 8. On Mondays we are open from 4:30 p.m. until 7:30 p.m., on Tuesdays and Wednesdays from 8:30 a.m. until 4:30 p.m. and on Thursday we are open from 8:30 a.m. until 11:00 a.m. Inquire about the discount on all "green dot" sales at the checkout desk

Federal Surplus

Items Recently Acquired by Your Neighbors!

- **Lake Township (Luzerne County)** recently acquired a cargo truck from the Federal Surplus Property Program which will be used for winter maintenance. The Township will be putting a v-box spreader in the box and adding a 10' plow. The Federal government originally paid \$56,832.00 for this truck but the Township was able to acquire it for a service and handling charge of just \$1,500.00. Township officials estimate a savings to their taxpayers of approximately \$30,000.
- **Jesus is Lord Academy (Adams County)** just acquired 19 folding tables from the Program which will be used as lunch tables, desks, and a projector stand for teaching. The Federal government originally paid \$4,968.12 for these tables but the Academy received them for a service and handling charge of just \$475.00. The Academy estimates a savings to their students of approximately \$3,000.00.
- **Lancaster County Career and Technology Center (Lancaster County)** recently acquired a grinding machine from the Program which will be used in an instructional classroom for auto mechanics. The Federal government originally paid \$8,294.48 for this machine but the Center was able to acquire it for a service and handling fee of only \$275.00. Center officials estimate a savings to their students of approximately \$1,500.
- **Lancaster Airport Authority (Lancaster County)** just acquired a Ford F150 pick up truck through the Program which will be used for airport maintenance. The Federal government originally paid \$17,865.00 for this vehicle but the Airport was able to acquire it for a service and handling fee of just \$300.00. Airport officials estimate a savings to their taxpayers of approximately \$1,000.00.
- **McCandless Township Sanitary Authority (Allegheny County)** recently acquired a 30 kw diesel generator from the Program which will be used as emergency back up power at the Authority's D.E.P. State Certified Laboratory. The testing performed at this laboratory is critical to the operation of the four wastewater treatment facilities owned and operated by the McCandless Township Sanitary Authority. This acquired generator set will make it possible for the Authority to have a continuous power supply to this laboratory and will insure the proper integrity of the samples being processed. The Federal government originally paid \$14,891.00 for this generator but the Authority was able to acquire it for a service and handling fee of only \$700.00. Authority officials estimate a savings of approximately \$8,000.00.

Special Offer

We are pleased to be able to make a special offer to our donee organizations this month. Many of you expressed interest when we offered our mobile homes and travel trailers. We hope to be able to offer more of them in 2009, but at the current time we are only able to offer one mobile home and its located right here in Pennsylvania. The mobile home is identified as a Patriot Mobile Home, 64' in length, 10' in width and in good to very good condition. The service and handling charge is \$8,000.00 and it is available now for your inspection. If your organization is interested act now to take advantage of this one time special offer. Please call Steve Livingston at 1-800-235-1555 or email at slivingsto@state.pa for more details and specifications.

LDV

The Lynch Development Corporation, known as LDV delivers from Concept to Reality. We are pleased to welcome them as a new vendor with the Pennsylvania's 1122 Program. LDV started as a partner with the Snap-on Tool Corporation who was looking to partner with a local dealership who would stock van-style vehicles for Snap-on Tool Dealers. After growing with Snap-on for a decade LDV expanded its product offering in the 1980s to include Special Service Vehicles sold to law enforcement, emergency response and homeland security professionals across the country.

Today LDV is a leading supplier for Special Service vehicles, Mobile Medical vehicles and a host of other products. In addition LDV continues to evaluate the latest technologies to integrate into special service vehicles, like Mobile Command Centers, SWAT Trucks, Bomb Trucks, and a host of emergency response vehicles that help keep our communities safe. For more information and to see some of their unique vehicles and customized equipment visit their website at www.ldvusa.com or call our point of contact, Mr. Al Dean at (717) 787-6197 or email him at aldean@state.pa.us

Visit our 1033 Store!

Just a reminder this month that in our newly remodeled Warehouse and Distribution Center area we now have our **1033 Store**. As we have mentioned in the past you can visit us any time from Monday through Friday, 8:00 am to 4:00 pm and shop around our 1033 Store. It's located on the second level of our new entrance mentioned in last month's newsletter. Available items include clothing of all types, including cold weather clothing like parkas and gloves, also boots, backpacks, binoculars and a variety of law enforcement supplies like hand cuffs, riot stick, helmets and much more! If you are interested in finding out more information, stock availability and pricing call Ms. Lil Davis at (717) 525-5803 and she will be happy to assist you. We hope to see you soon!

Police Pursuit Vehicles Now Available!

If your law enforcement agency is in need of some pursuit vehicles, patrol cars or even undercover vehicles, we have a deal for you, available right now these great looking Chevy Impalas are available for your inspection and purchase. We have listed the pictures, specification and pictures below for your review. If you are interested, don't delay, call today to Mr. Mike Zeiders, our staff agent at (717) 319-3550 or toll-free at 1-800-235-1555. Hurry; get here before your neighbors do and save money!
