SAMPLE Project Tracking Sheet

Project Name

Route X Bridge over ABC Creek

Location

Route X, Y Road, Z Township, A County

Reason for the Project

80-year-old bridge rated structurally deficient. Extensive deterioration on deck and substructure.

Vehicle Miles

More than 5,000 vehicles use the bridge daily. A xx-mile detour will be in place during the 15-month construction project beginning in April 2009.

Project Schedule

Estimated Start Date - April 2009

Estimated Completion - July 2010

Dollar Value of Contracts

\$1.2 million

Contractors

Overnight Bridge Repair, Inc. - \$1.0 million

A Engineering - \$100,000

B Construction Manager - \$100,000

Jobs Created/Saved

60

Outcome

Motorists will have a new Route X, Y Road Bridge in Z Township, A County. This bridge will carry more than 5,000 vehicles per day. Completing this project will insure the safety of those traveling over this bridge and prevent disruption of fire and police services.
