Paul K. Marchetti
Executive Director

April 3, 2009

Honorable James L. Oberstar
2365 Rayburn House Office Building
Washington, DC 20515

Dear Congressman Oberstar:

I am pleased to be submitting the first T&I Recovery Act reporting form for Pennsylvania's Clean Water State Revolving Fund. As you will see, we are only submitting the Aggregate Data form at this time and, further, that form indicates that we have not yet obligated ARRA funding. We will, however, be obligating a significant portion of that funding at our upcoming PENNVEST Board of Directors meeting on April 20th. Depending upon the timing, our next submittal to your committee should reflect these obligations.

I look forward to working with you and the committee on this important endeavor for the benefit of Pennsylvania and citizens in all the other states as well.

Sincerely,

Paul K. Marchetti
Executive Director
